The Bear River Recreation Youth Basketball is designed to provide youth the opportunity to play basketball in a structured league. The mission of this program is to provide a fun experience for ALL participants. Each child will have the opportunity to practice skills & drills, teamwork & sportsmanship. This program is not to be confused with AAU programming, we will not have team stacking. Teams will have at least one practice and one game per week, January 9 2022 through March 12 2022. Teams will receive a team shirt and an eight games season.

Teams will be divided equally & may be Co-Ed depending on total youth signups.

Coach/Ref games will apply for 5&6 division and may apply for 7-10 divisions depending on volunteers.

Coaches: We welcome and encourage ALL parents to volunteer and participate in their youth's program. We will need Volunteer Coaches and Volunteer Referees.

Our program will have an opportunity for the youth to practice with their teams & in addition we will have Skills & Drills sessions available for each age bracket. In which ALL participants have an opportunity to learn & have equal experience for their next level of basketball.

Parents will be responsible for helping support all participant in a positive environment. This program was created for our youth to have an opportunity to play, have a great experience, and to learn a thing or two about Basketball and sportsmanship. Commit to cheering for your child's TEAM, allowing players to play, referees to officiate, coaches to coach. "PLEASE DO NOT COACH FROM THE SIDELINES"

Cheering for our children is positive, we encourage this. Sideline coaching and voices can be confusing to them during games.

Masks and Temperature scan is Mandatory for entry to the Bear River Recreation facility. Masks will be worn by ALL spectators while inside the facility during this time. Registration form you have filled out for your child contains liability release waiver and children participating will have their mask available at all times. Each Parent/Guardian is fully responsible for their own child's safety and actions while and during any participation and recognize that they may be at risk of contracting COVID-19
